

**The You I&#39;ve Never Known** How do you live your life if your past is based on a lie? A new novel in both verse and prose from #1 New York Times bestselling author, Ellen Hopkins. For as long as she can remember, itâ€™s been just Ariel and Dad. Arielâ€™s mom disappeared when she was a baby. Dad says home is wherever the two of them are. How do you live your life if your past is based on a lie? A new novel in both verse and prose from #1 New York Times bestselling author, Ellen Hopkins. For as long as she can remember, itâ€™s been just Ariel and Dad. Arielâ€™s mom disappeared when she was a baby. Dad says home is wherever the two of them are, but Ariel is now seventeen and after years of new apartments, new schools, and new faces, all she wants is to put down some roots. Complicating things are Monica and Gabe, both of whom have stirred a different kind of desire. Mayaâ€™s a teenager whoâ€™s run from an abusive mother right into the arms of an older man she thinks she can trust. But now sheâ€™s isolated with a baby on the way, and lifeâ€™s getting more complicated than Maya ever could have imagined. Ariel and Mayaâ€™s lives collide unexpectedly when Arielâ€™s mother shows up out of the blue with wild accusations: Ariel wasnâ€™t abandoned. Her father kidnapped her fourteen years ago. What is Ariel supposed to believe? Is it possible Dadâ€™s woven her entire history into a tapestry of lies? How can she choose between the mother sheâ€™s been taught to mistrust and the father who has taken care of her all these years? In bestselling author Ellen Hopkinsâ€™s deft hands, Arielâ€™s emotionally charged journey to find out the truth of who she really is balances beautifully with Mayaâ€™s story of loss and redemption. This is a memorable portrait of two young women trying to make sense of their lives and coming face to face with themselvesâ€™ for both the last and the very first time. ...more [The You I&#39;ve Never Known PDF ebook](#)
