

Little Moments of Love Sippy meets Sarahâ€™s Scribbles in this sweet collection of comics about the simple, precious, silly, everyday moments that make up a relationship. What began as stray doodles on scraps of paper became an internet sensation when Catana Chetwyndâ€™s boyfriend shared her drawings online. Now, Catana Comic Sippy meets Sarahâ€™s Scribbles in this sweet collection of comics about the simple, precious, silly, everyday moments that make up a relationship. What began as stray doodles on scraps of paper became an internet sensation when Catana Chetwyndâ€™s boyfriend shared her drawings online. Now, Catana Comics touches millions of readers with its sweet, relatable humor. Little Moments of Love collects just that â€“ the little moments that are the best parts of being with the person you love. ...more Little Moments of Love PDF ebook
